- Problem Solving

PROFESSIONAL EXPERIENCE

Mar 2024 - Present

Traveality Nepal UI/UX Designer & Project Manager

- Led end-to-end UX design for OTA and PMS platforms, from user research and information architecture to high-fidelity prototypes.
- Designed responsive booking and hotel management experiences that streamlined user workflows.
- Conducting user research, usability evaluations to identify opportunities and drive product improvements.
- Creating user flows, wireframes, interactive prototypes, and design systems in Figma to ensure consistency across product improvements.
- Collaborating with developers, product owners, and stakeholders to deliver user-centered solutions.
- Guided a cross-functional development team through sprint planning, delivery tracking, and stakeholder coordination.
- Facilitating communication across developers, QA engineers and business stakeholders to align goals and resolve blockers.
- Monitoring project, maintaining timelines and ensuring standards are met through design reviews and documentation.

Jul 2021 - Mar 2024

InfoDevelopers Pvt. Ltd. Junior UI/UX Designer

- Designing user-centered web and mobile applications for enterprise clients.
- Developed and maintained reusable design systems and UI components.
- Worked closely with developers to ensure pixel-perfect implementation.
- Collaborated with product managers and stakeholders to prioritize features and enhance user experience.

FREELANCE EXPERIENCE

- Leanq

(Nov 2024 - Jan 2025)
- Hobes Technology

(Jan 2024 - Feb 2024)
- Edxplor

(Apr 2022- Aug 2022)

- Designed dashboards, websites and admin panels for multiple startups.
- Gathered requirements and analyzed workflows.
- Created user flows, wireframes, prototypes, and high fidelity UI designs.
- Developed design systems and reusable component libraries.
- Collaborated directly with clients to understand requirement and deliver results.
- Maintained brand consistency across digital products.
